ANA PAUNOVIĆ

B.SC OF MECHANICAL ENGINEERING

CONTACT INFO

+381658287998
apaunovic19@gmail.com
Kačićeva 40, Belgrade

PROFESSIONAL SKILLS

Python
PyTorch
Keras
SQL
R
SPSS Statistics/Modeler
Matlab
Creo Parametric
Solidworks
CoppeliaSim

PERSONAL SKILLS

Creative spirit
Reliable and professional
Adaptability
Critical thinker
Problem solver
Team player
Fast learner
Motivated
Analytical
Thirst for learning

ABOUT ME

I am a young, motivated person looking to further my career in developing machine learning algorithms.

EDUCATION

FACULTY OF MECHANICAL ENGINEERING, BELGRADE
B.SC. in Mechanical Engineering | 2017 - 2020

FACULTY OF MATHEMATICS & MECHANICAL ENGINEERING, BELGRADE
Master studies: Industry 4.0 (current)

WORK EXPERIENCE & INTERNSHIPS

1. MACHINE LEARNING ENGINEER
Built on ML| Novembar 2022 - Current

- Time Series
  - Analysis & Forecasting
- Recommenders
  - Collaborative & Content filtering
  - Frequent pattern minning
- NLP
  - Neighbourhood recommendation engine
  - Search engine
- CV
  - Id card detection and age verification

2. MACHINE LEARNING INTERN
Endava| Mar 2022 - Jun 2022

- Federated learning in medical imaging

3. ROBOTICS INTERN
Mihajlo Pupin Institute | Nov 2020 - Feb 2021

- Used software for robotics simulation - CoppeliaSim
- Learned how to emulate the motion of a robot
